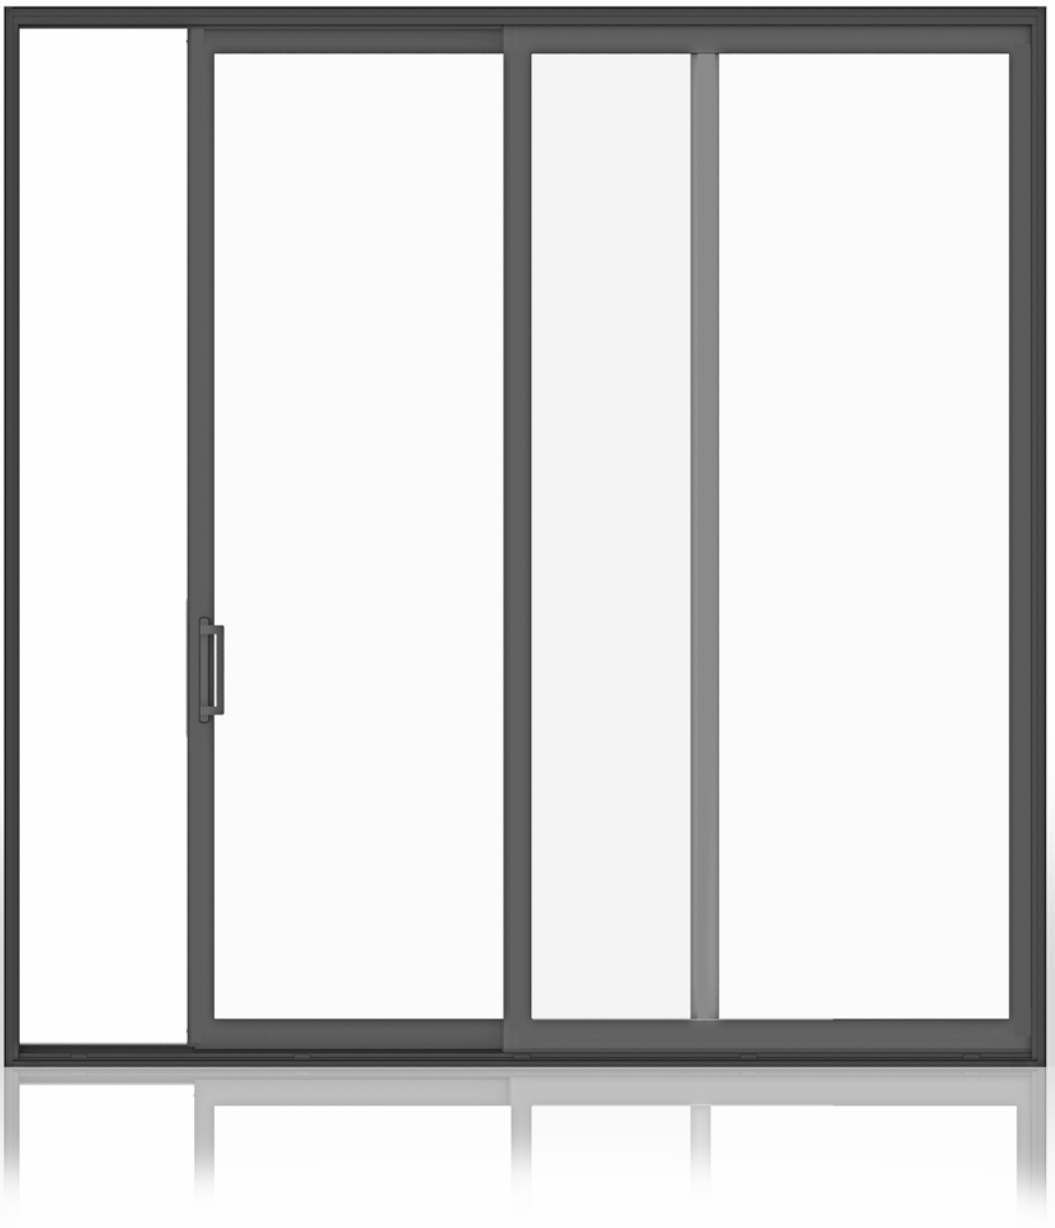
Why Choose The Pacific Series Patio Door?

The advanced manufacturing process ensures that all these doors exceed the industry's highest standards for quality and durability.

If you are looking for energy savings – our superior insulation eliminates water and air infiltration between frame and panels. A one inch insulated unit with Cardinal Endur® IG Insulating Glass allows for outstanding thermal performance and solar control. The Pacific Series is not only durable, corrosion resistant and strong, it's also aesthetically pleasing in an unlimited number of colours matched to your specifications.

QUALITY FEATURES:

- 5 7/8" depth on an all vinyl multi-chamber profile design
- Precision square cut milled corners for a modern look on sashes
- Internal sill drainage system directs water through the frame for improved performance, with 10 degree sill slope preventing water accumulation.
- LoE 180 & Argon tempered glass with Endur® warm edge spacer
- Stainless steel operating track
- Reinforced galvanized steel panels
- Anodized aluminum screen tracks
- Multi-finned weatherstripping combined with our highly effective bulb Seal, significantly reduces air infiltration.
- Zinc plated double tandem wheels with sealed bearing
- Extruded aluminum screen with black fiberglass mesh and lock



Sold and installed by Factory Direct Montreal.

PACIFIC SERIES PREMIUM &

The Pacific Series blends charm with reliable performance. Featuring our upgraded sleek sashes, smooth gliding operation, energy-efficient glass and a durable weather resistant frame. It's designed to bring in natural light while maintaining a secure, modern look – perfect for homes seeking style, comfort and value. Every detail has been considered in designing and manufacturing the Pacific Series Door with endless options to customize the perfect door for any home.

AVAILABLE IN THREE PACKAGES:

ESSENTIAL – A streamlined option with reliable performance and style

PREMIUM – Enhanced features with a touch of elegance

PREMIUM PLUS – Top-tier upgrades for unmatched luxury and style

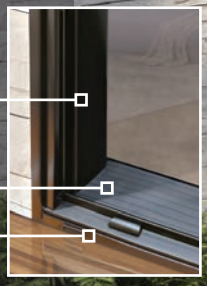
ESSENTIAL

- Energy-efficient glass for improved insulation
- Elite handle with a sleek, modern design
- Durable metal rollers for smooth operation
- Choice of single-point or twin-point lock for added security

PREMIUM

A perfect blend of performance, durability, and luxury—this upgrade takes your patio door to the next level with:

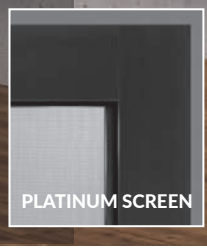
- Sleek Luxe handle for a refined touch
- Twin-point locking system for enhanced security
- Interior and exterior pocket covers for a clean finish
- Durable aluminum sill plate for added strength and style
- Bug-resistant drain covers



PREMIUM PLUS

Package includes:
Everything in the Premium package —with two exclusive upgrades

- Allure handle with advanced twin-point locking system
- Upgraded Platinum 3" screen + square cut corner, and patented roller-system



GLASS OPTIONS

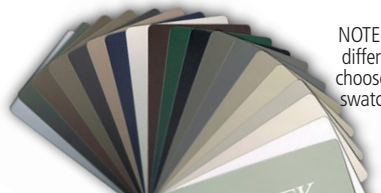
LoE glass options boost energy efficiency, reduce UV damage, and keep your home comfortable year-round

DOUBLE & TRIPLE PANE

Choose advanced glazing solutions for superior thermal performance and acoustic control

POPULAR COLOURS

Custom colours available—just ask us for details



NOTE: Colours may appear differently in print. Always choose colours using actual swatches for true accuracy

PLATINUM SCREEN (OPTION)

High-performance screen system designed for durability and elevated aesthetic

PREMIUM PLUS

ROLLER OPTIONS

Choose metal or pom rollers based on your door's weight, type, and durability needs—for smooth, reliable performance

TANDEM STEEL ROLLERS

TANDEM POM ROLLERS

TANDEM STAINLESS STEEL

QUAD POM ROLLERS

SECURITY OPTIONS

Dual protection: The child-safe guardian lock prevents accidental exits, while the kick lock adds discreet security. Both use a two-point system to keep the door partially open for airflow without sacrificing safety.

GUARDIAN LOCK

KICK LOCK
